**Mission:**

Empower people to make informed choices for themselves and their neighborhoods through community building, home ownership, and economic learning.

**LETTER FROM WIN LEADERSHIP**

Dear Friends,

Working In Neighborhoods (WIN) partners with our neighbors to create innovative solutions that move families out of poverty. Our vision focuses on building sustainable communities that lead to a better future.

Today, we understand the urgent need for healthy, affordable housing, and its power to enhance family stability and good health outcomes, especially for families with growing children. The strength and resilience of our neighbors, our partners and our staff, who consistently move forward in our challenging times, is truly inspirational. We are more determined than ever to work toward a future where everyone has a stable, healthy, affordable home.

WIN is deeply grateful to our supporters, sponsors, partners, and neighbors. Without each of you WIN would not be able to help families improve their lives, and their neighborhoods. Thank you for being an important part of our team.

Gratefully,

S. Barbara Busch

At WIN's 2022 Bringing the World to Our Backyard summer camp volunteers from First Financial Bank were on hand to teach kids about money, saving, and investing. Campers above were learning how to fill out a check and sign their name in cursive.

WIN donors showed neighborhood kids just how much they cared, by providing them with their favorite Christmas gifts at the 2022 Santa's Workshop.

## ALL ABOUT KIDS ...

385 youth participated in WIN's Youth Enrichment Program (YEP) in 2022. The YEP includes summer camp, plus celebrations for Christmas, Easter, and Halloween.

Cumminsville resident, Angel Powell remembers when her 4 teen daughters were WIN camp counselors. Now, her 6 grandchildren ages 6 – 12 can't wait for camp to start on June 13.

*"Having camp within the neighborhood is a great thing for working parents. We know our children are safe and the kids love learning new things, going on field trips, and having the chance to make new friends,"* Powell said.

*“WIN’s homebuyer classes gave me the knowledge to be able to figure out if taking on such a big responsibility was worth the risk. I now feel confident with my ability to save, budget, and pick the right lender for my needs. What a great experience!”* 2022 Class Participant

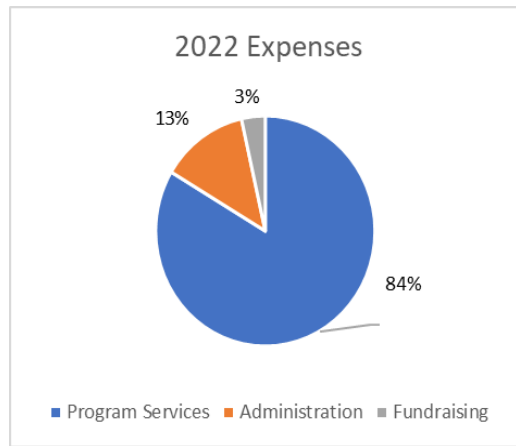

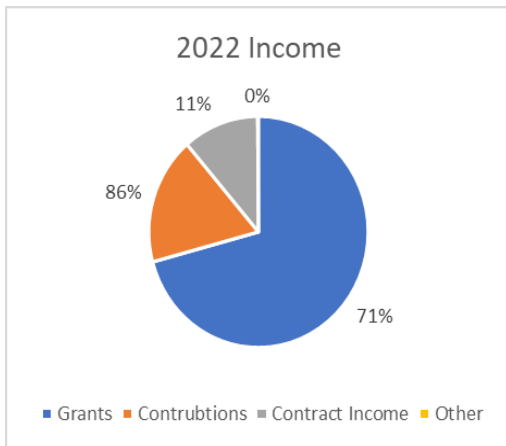

424 families benefited from WIN’s financial literacy and homebuyers classes in 2022.

In 2022, 100 families received a total of 23 tons of fresh food at WIN’s monthly Produce Pop-Up.
